ACTION REQUIRED - REFERENCES																							
<p>Reference: <b>OPPA-65318, 24 May 1962</b></p> <p>1. Idan A of Ref is actively seeking outlets through which QKACTIVE information on youth in the USSR may be channeled to youth in the uncommitted areas of the free world. He is witting of QKACTIVE's KUBARK connection but unwitting of other KUNDEL projects. In the process of searching out existing organizations to which QKACTIVE may contribute useful services and information he occasionally contacts inadvertently other individuals and groups who happen to be KUBARK-affiliated.</p> <p>2. On the basis of his findings, he makes proposals to PRAFFIRM, through which he is guided on his operations. In this way the extent of his activities is controlled and he is diverted from too close involvement with other KUBARK activities if this can be done securely. In the case cited in Ref, he has actually proposed to PRAFFIRM not a center for Latin American students in Paris but a seminar for such students during the Christmas season of 1962. PRAFFIRM has asked for more details before giving him a definite reply and has recommended that he concentrate on arranging for the contributions of qualified emigre participants to seminars or meetings of established groups. It would seem that overt QKACTIVE participation in the local documentary and lecture center mentioned in Ref might be discussed with Idan A of Ref.</p>
